

Eton Wick C of E First School

Pupil Premium Strategy

April 2021 – July 2021

Background:

The Pupil Premium is grant funding and is in addition to the School's Delegated Budget. It is allocated to children from low-income families and children who have been looked after continuously for more than six months. Pupil Premium Funding is used to raise attainment, promote social skills, independent learning and positive behaviour in order to increase pupil progress. It is allocated according to the number of pupils on-roll who are eligible for free school meals (FSM), a smaller amount allocated according to the number of children of service families and an allocation for each pupil who has been 'Looked After' (in care) for 6 months or more.

The Purpose of the Pupil Premium Grant:

The Government believes that the Pupil Premium, which is additional to main school funding, is the best way to address the current underlying inequalities between children eligible for free school meals (FSM) and their peers by ensuring that funding to tackle disadvantage reaches the pupils who need it most.

In most cases the Pupil Premium is allocated to schools and is clearly identifiable. It is for the school to decide how this money is spent since they are best placed to assess what additional provision should be made for the individual pupils. Schools are held accountable for how this funding is used.

At Eton Wick First C of E First School we provide teaching and learning opportunities for all of our pupils so that each child makes at least good progress from their starting points. It is particularly important that the needs of vulnerable groups are met through appropriate provision and interventions. We are committed to ensuring maximum progress for all groups of children and strive to close any gaps. We actively promote equality of opportunity for all pupils, parents, staff and governors to create a harmonious learning community where all can succeed.

Designated staff member in charge: Miss Judy Parsons/ Miss Karen Waller

Nominated Governor: Mr Peter Shearman/FGB

Our Pupil Premium Priorities are:

- ⇒ *Raise attainment and accelerate pupil progress in reading*
- ⇒ *ELSA supporting pupils mental health and wellbeing*
- ⇒ *Speech and Language*

1. Summary information

School	Eton Wick C of E First School				
Academic Year	April 2021 - July 2021	Total PP budget	£4,000	Date of most recent PP Review	July 2021
		Total PP spend	£3,690		
Total number of pupils	110	Number of pupils eligible for PP	6 LAC – 16.6% FSM – 83.3% (33.3 EYU funding)	Date for next internal review of this strategy	July 2022

2. Attainment (2018 - 2019) NO results for 2020 - 2021

	<i>Pupils eligible for PP 2019 School</i>	<i>Pupils eligible for PP 2019 National</i>	<i>Pupils not eligible for PP 2019 School</i>	<i>Pupils not eligible for PP 2019 National</i>
EYFS GLD	N/A	56.4%	54%	75%
Achieved end of year 1 expectations in phonic screening	N/A	70.2%	82%	84.8%
Achieved end of year 2 expectations in reading	0% (0/1)	60.4%	66% (18/27)	78.7%
Achieved end of year 2 expectations in writing	0% (0/1)	53.4%	56% (15/27)	73.4%
Achieved end of year 2 expectations in maths	0% (0/1)	61.1%	66% (18/27)	79.5%

3. Barriers to future attainment (for pupils eligible for PP, including high ability)

In-school barriers (issues to be addressed in school, such as poor oral language skills)

A.	Social, Emotional and Mental Health (SEMH) needs across year groups 1 – 4. We know that the best learning takes place when children are happy and emotionally stable. ⇒ A qualified ELSA to be in place, and identified children in the appropriate group ⇒ Psychotherapist to deliver therapeutic care through play
B.	The ability for children to articulate themselves. ⇒ Speech and Language therapist to work with children and produce a plan for staff, and families to work on daily. ⇒ Language acquisition and vocabulary to improve
C.	Cost of educational visits during school – time to enrich the learning ⇒ Trips

External barriers (issues which also require action outside school, such as low attendance rates)

E.	Low attendance of pupils ⇒ Education Welfare Officer
-----------	---

We are all growing, developing and learning; Achieving Success in a Caring Community.

A farmer went out to sow his seed. As he was scattering... seed fell on good soil.

Taken from St Matthew's Gospel, chapter 13: The Parable of the Sower (NIV)

F.	Engagement of families with learning and using external clubs
-----------	---

4. Desired outcomes		
	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A.	For children to be happy, with confidence, resilience and self-esteem, and able to take measurable steps to problem solve independently.	All children eligible for PP funding to have a positive role in school. ELSA questionnaires – before and after, show improved feelings in resilience and self-esteem Jigsaw PSHE curriculum to further support the emotional needs of PP children.
B.	For children to be confident at articulating their feelings to one another, and to adults	Children will make desired progress and be discharged from SALT service
C.	Children to feel valued and be a part of all learning experiences, whatever their background	All children to take part in educational off-site visits.
D.	Regular in-school monitoring with the support of an EWO will ensure that attendance and punctuality improve.	Attendance to be closer to National Average

Area of Spend	Intended outcomes – why these approaches were taken	Review
TARGETTED ACADEMIC SUPPORT		
Intervention staff: Phonics: £580 Speech and Language: £600 Core subject intervention/catch – up: £1500 <i>Actual spend: £2680</i>	In order to access the curriculum, pupils need good basic skills and a firm foundation on which to build. Targeted support will first be delivered with in-class, and outside of class intervention. Specific staff will therefore be employed to teach a range of children across the school. Where children’s prior attainment of reading is low, we will ensure that early reading skills are embedded.	All pupils, supported by these interventions achieved well from prior starting points, however, there are still gaps which need to be addressed and we will be continuing with this aspect within our PP strategy for the next academic year.
WIDER STRATEGIES		
Emotional Literacy Support Assistant (ELSA) and small group sessions <i>Actual spend: £445</i>	It is not possible to raise attainment and progress for pupils who have barriers to their learning. Removing these barriers will ensure that children are ready and able to learn. Therefore, to improve resilience, small group support through targeted ELSA sessions will be delivered. ELSA sessions will be reviewed every 6 weeks and changed as needed. Impact will be measured through pre and post questionnaires. Further advice to be sought from Early Help if there is little or no improvement in emotional wellbeing. Individual pupil behaviour incidents to diminish leading to children who are happy, confident and resilient who feel supported and able to thrive in their learning environment, achieving and learning with a growth mindset through each other.	All Year 4 PP children accessed transition sessions to enable a successful transition in July 2021. PP children accessed ELSA sessions, along with other groups of pupils when school returned, and continued throughout the summer term.
The support of an Educational Welfare Officer (EWO) <i>Actual spend: £224.66</i>	Whole school attendance strategies to be used – including individual termly certificates celebrating 100% attendance, as well as weekly class attendance awards in family celebration assembly. Where an attendance focus needs to be in place for key children, an EWO will to meet with school half termly to monitor attendance and assist with any additional measures. The EWO to be an additional supportive role for families. EWO to attend key meetings as necessary. As a result of this, attendance for key pupils will have improved, and be closer to national statistics than previously. Improved attendance will support daily learning.	Whole school attendance was 97.% PP attendance was 97.1% This is significantly higher than national
Drop off club and after school Club: <i>Actual spend: £173</i>	We run a drop off club and after school clubs which support the attendance and punctuality of key children as well as giving children the chance, through play and social activity, to be emotionally ready for the school day.	Drop off club supported PP children to be ready for their learning and the school day. This also supported high level of PP attendance
Extra-Curricular participation <i>Actual spend: £160</i>	All pupils to be given the opportunity to sign up for an extra – curricular club during the year. All PP children in KS2 to take part, at least once, in an inter – school sport competition during the year.	Children benefitted from being able to access the same clubs as their peers.

We are all growing, developing and learning; Achieving Success in a Caring Community.

A farmer went out to sow his seed. As he was scattering... seed fell on good soil.

How will the school measure the impact of the Pupil Premium?

Half termly pupil progress analysis will take place, comparing the achievement of pupil premium pupils with that of their peers. This information will be used to inform half termly pupil progress meeting discussions, provision management and inform the early identification of need through the Class Profile. Data analysis will be completed by Leaders within their subject areas, informing standards and quality of provision across the curriculum, particularly within core subject areas. Half termly pupil progress meetings will take place between Class Teachers, Senior Leaders and the Inclusion Lead, including updating provision and individual Class Profiles to ensure that curriculum provision is responsive to pupil need.

At each review the school will collate information as outlined above to evaluate the impact of actions taken and plan how the funding will be allocated across the next phase. When selecting pupils for Pupil Premium target groups, the school will look at all pupils across the school. There are some pupils who are not eligible for Pupil Premium who will benefit from these groups if their need is similar and we believe progress can be made towards individual targets.
